

## CONCRETE KIBBLE

The **CKM Concrete Kibble** is designed for easy transfer of concrete on site by overhead crane.

### FEATURES:

- Lightweight, yet heavy duty
- Adjustable chute allows discharge from the bottom or side of unit
- Lever operated from either side, for flexibility of use
- Fitted with fork pockets for transport around the work site
- Hydraulic Kibble Option (HPP-REMOTE) available to remotely control kibble
- Enamel paint finish

Model	Volume Capacity (cu.m)	Working Load Limit (kg)	Filling Height (mm)	Overall Dimensions (mm)	Unit Weight (kg)
CKM05	0.5	1500	1175	1630 x 1255 x 1500	260
CKM10	1.0	3000	1320	1760 x 1655 x 1705	320
CKM15	1.5	4000	1510	1850 x 1655 x 1970	415
