Ferno Product Code: **VCT 2C4550B**

A multipurpose, lightweight karabiner with a large base and wide sizing Catch free nose to avoid snagging.

Supplied with captive bar.

Product Name: **Alloy Triplock Karabiner**
Ferno Product Code: **VCT L5300001, VCT L430001 (captive bar)**

Extra light, drop forged alloy karabiner with triple action gate opening.

CODES

VCT L5300001 - Standard karabiner

VCT L4300001 - With captive bar

Product Name: **Alloy Triplock Karabiner**
Ferno Product Code: **VCT2C4650CXSACT001**

A large, alloy, triplock karabiner supplied with a captive bar. Wide opening gate with catch free locking and an excellent breaking strength. Made from anodised light alloy.

Product Name: **Steel Screw Gate Karabiner VCT A428TOZO**
Ferno Product Code: **VCT A428TOZO**

This classic screw gate karabiner has a very high break strength and optional captive bar. Individually tested. New snag free nose and gate.

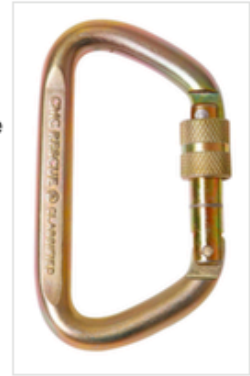

Product Name: **CMC Steel 72 kN Karabiner**

Ferno Product Code: **CMC300110 (screw gate) & CMC300120 (triple action)**

This proven 72kN workhorse is available in both screw gate and triplock gates. The screw gate nut locks against the gate to prevent jamming. Triplock karabiners decrease the possibility of the user forgetting to lock the gate, or that the gate will vibrate unlocked while in use.

With the safety of a three-stage triplock gate that can be easily opened with one hand, these compact models maximise strength yet allow a 40 mm gate opening wide enough to fit over most litter rails.

Every karabiner is proof loaded.

Product Name: **Stainless Steel Fireman's Karabiner Double Action**

Ferno Product Code: **VISC KH307SGP1**

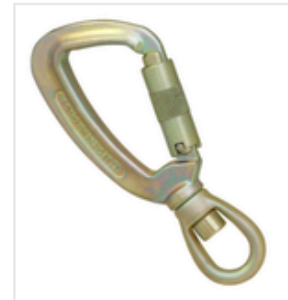

Large stainless steel triplock karabiner with large 48 mm gate opening. The large gate opening is ideal for attaching to larger anchors. Optional captive bar provided.

Product Name: **Stainless Steel Swivel Triplock Karabiner**

Ferno Product Code: **VISC KH251SSI1**

A steel triplock karabiner with a fall indicator and swivel feature that eliminates potential twisting of line.

Product Name: **Stainless Steel Triplock Karabiner**

Ferno Product Code: **VCT I46500PO***

Large stainless steel triplock karabiner with large gate opening. The large gate opening is ideal for attaching to larger anchors.

Optional captive bar provided.
