

► PWB® Regular Proof Coil Chain

Manufactured from low grade carbon steel, this versatile range of chain is proof tested to at least twice the maximum load recommended for normal use. Chain sizes 6mm to 24mm manufactured in Australia.

Proof Coil chain is not suitable for Industrial Lifting purposes.

Test certificate available on request.

The MWL (Maximum Working Load) stated is for guidance in the selection of a chain with sufficient strength for intended applications. Dimensions and masses subject to commercial tolerances and design changes without notice.

Applications: Manufacturing, marine and agricultural industries

► PWB® Regular Proof Coil Chain - Pail Pak

Pail Paks available in self colour and galvanised finishes in handy reusable 20 litre plastic containers. Pail paks 6mm to 13mm are prepacked from chain manufactured in Australia.

Not suitable for industrial lifting purposes.

Applications: Manufacturing, marine and agricultural industries

Chain Size (mm)	Metres/Pail Pak	Part No. (Self-Colour)	Metres/Pail Pak	Part No. (Galvanised)	Approx Weight (kg)
