PWB® QuikBinder Plus

This easy to install ratchet loadbinder offers a 3-position pawl setting for extension, take-up and a free spin setting, for fast adjustment in any direction. Designed and tested to comply with the requirements of AS/NZS 4344.

Product Features:

- Twice as fast as traditional ratchet loadbinders thanks to the third 'free spin' ratchet pawl allowing hand tensioning and release.
- Folding handle for safety and easy storage.
- Can be locked and secured with long-shank padlock.
- Vinyl coated barrel for an easy grip when adjusting or positioning.
- Suits the PWB Anchor range of HiLITE™ Chain.
- Fitted with winged Grab Hooks with additional spring loaded lock-in pins.

Chain Size (mm)	Lashing Capacity (kg)	Mass (kg)	Take-up	Part No.
7-8mm	3800kg	4.6kg	15cm	42077
10mm	6000kg	5.4kg	15cm	42078

Do not use any handle extension (cheater bar or pipe) to tension or release unit. Hand tighten only.
